The following topics were discussed:

- **Financial Review:** Review of Sales and expenses through the conclusion of the winter season has turned an EXCELLENT profit margin with concessions sales, our current operations are sustaining a favorable profit due to our minimizations of some products and doing better about less spoilage. We have hit an all time high in Winter concession sales! More than \$11,000! Big thanks to John Cain and Middle School Volleyball, and Libbie Drake and the 8th graders for always working the games to keep our concessions open! Our cash balance is growing and we are available for any financial requests from Athletic teams at this time.
- **Booster Financial Requests:** None at this time
- **Spring Sports Volunteers:** Spring sports are among us! We still need lots of helpers for Soccer games and Track meets. Please encourage your players, coaches or anyone to sign up for upcoming home events this Spring. Our designation program is again in effect throughout the 2019-2020 school year, so this can be a great way for teams to raise money. See the link below for the Event Calendar.
- **Designation Program:** This is a great way to earn money! The Boosters donated over \$1,600 this winter season to sports programs who had volunteers designate their time in the concession stand. Please sign up if you want in on this opportunity!
- **Sports Banquet:** The Athletic Department has opted to hold ONE sports banquet at the end of the school year, as opposed to one at the end of every sports season. Stay tuned for an official date when it is determined.
- **Miscellaneous Topics:** Any small requests such as, individual player trophies, banners, etc. are always entertained by the Athletic Boosters, so don't hesitate to ask us for help!
- **Athletic Department Questions:** Please defer all questions pertaining to the new mascot, athletic department budgets, uniform questions, etc to the Athletic Director, Jason Faasse ([jfaasse@godfrey-lee.org](mailto:jfaasse@godfrey-lee.org))
