

DATE: September 5th, 2018 7:00pm

BOARD MEMBERS PRESENT: Marcus Bradstreet, John Cain, Tammy Schafer

COACHES: Tasha Wilson (Girls HS Basketball), Greg Popma (Varsity Cross Country, Varsity Track), Karla Garrido (Varsity Competitive Cheer), Jaime Ramirez (Varsity Boys Soccer, JV Girls Soccer)

ATTENDEES: Jason Faasse (Athletic Director), Carlos Savala & Myesha Cross (Senior Capstone)

The following topics were discussed:

- **Financial Review:** Review of last year was discussed, including the first two weeks of this year - our cash flow is low at the moment, given the front-loading of product stocking and only having two weeks of events. There are still 4 more football games to get our cash back up to a normal balance.
- **Senior Capstone Partnership:** The Boosters are excited to team up with a few seniors from the Class of 2019 to assist with the Operations and Marketing of the Athletic Boosters. These seniors plan to use their exposure to the business side of the Boosters to help with their Senior Capstone projects at the end of their Senior year.
- **Popcorn Fundraiser:** We are now selling Popcorn cases for \$10 (32 oz container) which customers can use for free popcorn refills at any Lee Sporting event. We are discussing different designs to put on the cases to optimize sales and Lee School Pride.
- **Program Assistance:** We discussed the opportunities presented at the concession stands for teams to earn money by volunteering players, coaches, staff or parents, but no official requests were put in.
- **Fall Sports Volunteers:** School is here, time to play ball! Please encourage your players, coaches or anyone to sign up for upcoming home events this Spring! Our designation program is still in effect throughout the 2018-2019 school year, so this can be a great way for teams to raise money.
- **Apparel:** Ms. Wiese has taken over the Varsity Club and has begun to sell shirts from her classroom. We've encouraged our Senior Capstone partners to communicate with Ms. Wiese about apparel ideas and utilizing the concession stand to optimize sale and spirit throughout our schools.
