The following topics were discussed:

- **Financial Review:** Review of the Fall Season (now concluded) were discussed, and the Fall Sports Transfer to school programs were made. We are happy to announce we transferred \$1,430 to 16 different school programs for the Fall season, including offering over 100 volunteer hours to our seniors. Cash balance is about where we projected, hopefully the Winter season can raise our funds to entertain more financial requests from school programs. Jason mentioned that sales were likely down due to bad weather at a lot of our home Football games this year. However, John's experiment with selling Jarritos were a major success which turned a lot of profits!
- **Booster Financial Requests:** The Boosters approved to pay 1/2 of the new Middle School Volleyball jerseys. Thanks to John and the MSVB for all your help in the concessions! We also approved to pay for \$105.85 to help Girls HS basketball to pay for professional pictures for the upcoming season.
- **Fall and Winter Sports Volunteers:** Winter is here! Please encourage your players, coaches or anyone to sign up for upcoming home events this Winter! Our designation program is still in effect throughout the 2018-2019 school year, so this can be a great way for teams to raise money
- **Miscellaneous Topics:** We discussed our successful Health Inspection, possible GFS delivery for our product in the future, and the upcoming Powerlifting Meet for Football in December.
