

**DATE:** October 10th, 2018 7:00pm

**BOARD MEMBERS PRESENT:** Marcus Bradstreet, John Cain

**COACHES:** Tasha Wilson (Girls HS Basketball), Greg Popma (Varsity Cross Country, Varsity Track), Karla Garrido (Varsity Competitive Cheer), Jaime Ramirez (Varsity Boys Soccer, JV Girls Soccer), Jason Faasse (7th Grade Boys Basketball), Mike Chatfield (7th grade Girls Basketball), Sarah Susan (8th Grade Girls Basketball), Ty Emelander (Varsity Baseball), Gabriel Snyder (Varsity Girls Soccer, JV Boys Soccer), John Cain (8th Grade Volleyball), Marcus Bradstreet (JV Football, JV Baseball)

**ATTENDEES:** Jason Faasse (Athletic Director), Myesha Cross (Senior Capstone), Janelle Johnson-Ellis

The following topics were discussed:

- **Financial Review:** Review of the Fall Season and Homecoming sales were discussed, in particular the shortcomings of Homecoming sales this year. Bad weather and other fundraisers severely impacted Booster sales, which will lower our sales projections and cash balance for the Fall season. Our operations will run at even margins after disbursing the the money promised to school programs for working concessions. So at the moment, no financial requests will be heard until a higher balance is obtained. There is one more football game to hopefully spark sales.
- **Senior Capstone Partnership:** The Boosters are excited to team up with a few seniors from the Class of 2019 to assist with the Operations and Marketing of the Athletic Boosters. These seniors plan to use their exposure to the business side of the Boosters to help with their Senior Capstone projects at the end of their Senior year. They've brought the idea of running a Rebel Store in the HS where they could sell apparel and other items (in partnership with Ms. Wiese). The idea can hopefully be brought to fruition later this year.
- **Longevity of the Boosters:** We are looking for ideas to keep the Boosters open for years to come. With the few adults we have running the program, we have worries of the longevity of the support system that Lee has had for its Athletics for over 10 years. Tammy, John and myself will not be around forever to help run the Boosters, so if you know of any parents, staff members or community members who may be interested, please send them our way!
- **Fall and Winter Sports Volunteers:** Winter is coming...please encourage your players, coaches or anyone to sign up for upcoming home events this Winter and remaining games this fall! Our designation program is still in effect throughout the 2018-2019 school year, so this can be a great way for teams to raise money.

Please let me know if you have any comments or questions concerning any of the topics above, or anything else Boosters-related.

Thanks and go Rebels!
