The following topics were discussed:

- **Financial Review:** Review of Sales and expenses through the fall season has turned a good profit margin with Fall Concessions sales. Our cash balance is growing with the limited amount of games we are opening for and the select items we are currently selling. We are currently maintaining a fairly low to medium cash balance, but we are still willing to entertain financial requests.
- **Booster Financial Requests:** None at this time
- **Fall Sports Volunteers:** Fall sports are here and we still need lots of helpers for Soccer Games, Volleyball matches and of course, Friday night football games. Please encourage your players, coaches or anyone to sign up for upcoming home events this Fall. Our designation program is again in effect throughout the 2019-2020 school year, so this can be a great way for teams to raise money. See the link below for the Event Calendar.
- **HOMECOMING** - It is almost here! This is our biggest event of the year and we always need the maximum amount of help. This is a great opportunity for programs to make great money for their teams! Please email me or John Cain if you are interested in signing your team up.
- **Miscellaneous Topics:** Any small requests such as, individual player trophies, banners, etc. are always entertained by the Athletic Boosters, so don't hesitate to ask us for help!
- **Athletic Department Questions:** Please defer all questions pertaining to the new mascot, athletic department budgets, uniform questions, etc to the Athletic Director, Jason Faasse (jfaasse@godfrey-lee.org)
