Why Take a Chance When You Can Make a Choice?

Protect Your Future Today with NIS Options Voluntary Insurance Plans

Every day, the choices we make affect our quality of life. From what we eat to where we work, what we choose matters.

But some of our most important decisions are the ones we least want to consider.

No one wants to think about a short or long-term disability that prevents them from working, or a premature death that leaves a family on their own.

Unfortunately, these things can and do happen.

Making good choices today will ensure you and your loved ones are protected if life takes an unexpected turn.

Tom, a music teacher from the Midwest, was just 46 when he suffered a fatal heart attack. But thanks to his careful planning, Tom's family didn't have to worry about adequate Life Insurance. "Tom always took care of us, and still is," says his wife. "His planning made a very hard situation a little bit easier."*

Life Insurance Options
